

# How to measure for your e-design project

1. Sketch the shape of the room and add the following
2. Room length
3. Room width
4. Room height
6. Measure doors
7. Measure windows
8. Measure permanent fixtures (fireplace, bookshelves)
9. Measure each wall space (space between windows, doors etc.)
10. Measure any furniture that will remain in the space.
11. Take a photos of each wall, corner and overall space
12. Now grab a cup of tea or glass of wine, you did a lot of work!
